**The Team who is strong
enough to stand up for
South Jersey taxpayers.**

**Saying NO to Trenton
politicians on tax
increases.**

Bob, Bruce, and Matt have consistently stood up to leaders in their own party to oppose tax increases that would hurt South Jersey families and small businesses.

**Freezing property
taxes for seniors.**

They voted to provide older adults with access to the senior property tax freeze — to allow them to retire with dignity and preserve their family homes.

**Reducing taxes
for veterans.**

Bob and Bruce are decorated veterans themselves, and the team fought for a \$6,000 income tax credit for veterans, and to allow active duty military to defer their property tax payments.
