

A black and white photograph of Donald Trump, wearing a suit and tie, pointing his right index finger towards the viewer. He has a serious expression.

**To stop him,
we must first stop them.**

Trump-backers Assemblywoman **Holly Schepisi** and Assemblyman **Robert Auth** are putting the Trump agenda ahead of New Jersey families.

Support President Trump's plans for health care, **which include gutting Medicare, increasing out-of-pocket costs and letting insurance companies deny coverage** for millions of New Jerseyans with pre-existing conditions.¹

Received A ratings 5 times² and campaign cash from the NRA³ for anti-common sense gun safety record, including voting against banning high-capacity magazines used in mass shootings⁴ and opposing removing guns from those deemed a threat to themselves and others.⁵

Holly Schepisi introduced a radical plan that would **put the health of New Jersey kids at risk** by allowing unvaccinated children to attend school.⁶

Refused to support funding for women's health care, voting a combined 10 times to make it harder and more expensive to access birth control, prenatal care and life-saving cancer screenings.⁷

It's time to stop **extremists** Holly Schepisi and Robert Auth.
