

FACT: **1 in 3 women** will be diagnosed with cancer in their lifetime.

[American Cancer Society. Jan. 2018]

FACT: **Assemblywoman Holly Schepisi and Assemblyman Robert Auth failed to support funding for women's health care**, voting 10 times combined to make it harder and more expensive for New Jersey women to access life-saving screenings, prenatal care and critical family planning services.

[NJ S120, 2/15/18; NJ A3492, 6/27/16; NJ A3672, 6/25/15; NJ S2825, 6/20/13; NJ S788, 6/25/12]

FACT: **Assemblywoman Schepisi and Assemblyman Robert Auth are putting their extreme ideology ahead of New Jersey women**, including the more than 1.5 million who will be diagnosed with cancer in their lifetime.

The facts are clear.

We can't count on **Assemblyman Robert Auth** and **Assemblywoman Holly Schepisi** to protect New Jersey women's access to critical health care services.

- ✗ **Schepisi and Auth repeatedly failed to support restoring \$7.5 million in funding for women's health care.**

- ✗ **Schepisi and Auth failed** to support expanding Medicaid coverage of family planning.
[NJ S1017, 6/27/16; NJ A4604, 6/25/15; NJ A2795, 6/23/14]
- ✗ **Schepisi and Auth earned 0% ratings** from Planned Parenthood in 2016-17 for their records opposing women's health.
[Planned Parenthood Action Fund of New Jersey - "Legislative Scorecard", 2016-2017]

Holly Schepisi and Robert Auth have put the health of New Jersey women and families at risk.

On November 5th, **Vote NO** to extremists Schepisi and Auth.
